

## Upper Dauphin Area High School Permission to Drive/Park on School Property

In compliance with policies established by the Upper Dauphin Area School District, students driving to and from school must have a signed permission slip by their parents or guardian and consent to random drug testing. School authorities may revoke the privilege of driving at any time when students fail to exercise good conduct and judgment or exhibit a lack of responsibility, so as to endanger property or persons.

**PARKING AREAS** – The UDAHS parking lot is permit parking only. Students are required to register their vehicles with the high school each year. All students operating vehicles are subject to search whenever district officials feel there is reasonable suspicion of wrongdoing. Student drivers must park in their designated spaces in the student parking area. Student drivers may not park on grass areas or areas not marked as a parking space. Under classmen will be granted parking privileges if and only if spaces remain after the seniors have received their tags. Students must proceed directly into the building to their assigned location upon arrival on school property.

**TAG IDENTIFICATION** - Each student driver shall identify the vehicle(s) that he normally drives to school and school activities. An identification tag will be issued and must be placed on the vehicle's rear view mirror; tags can only be used on registered vehicles. **Tags are not transferable between students.** The operation of any improperly registered and licensed motor vehicle on school property will be handled as a violation of the motor vehicle code. Such action will result in a full suspension of driving privileges and referral to the State Police.
