Dear Parents and Guardians:

As many of you are aware, there was a vague post on social media threatening a shooting at a Dauphin County school. **This post was not specific to any district or school.** Accordingly, the Pennsylvania State Police are on alert and have been patrolling our school and all Dauphin County schools.

If any threats are made specific to Upper Dauphin Area Schools, or any particular school, we will immediately notify the state police. I have full confidence that the state police will find any perpetrator who threatens any children.

I assure you that the Upper Dauphin Area School District is working with the Pennsylvania State Police to keep our schools secure and safe. If you or your children see state troopers patrolling the school grounds, do not be afraid. UDA has procedures in place to keep all members of the school community safe, so all students can focus on learning, their primary purpose in school.

Sincerely,

A handwritten signature in blue ink that reads "Evan P. Williams". The signature is fluid and cursive, with a long horizontal stroke at the end.
