Version 3

This fact sheet provides an overview of the UDASD Enhanced Remote Education Program as compared to the program that was provided during the spring of 2020.

Categories	Emergency Closure Spring 2020	UDASD Enhanced Remote Education Fall 2020
Consistency and Structure	<ul style="list-style-type: none"> Curriculum and assignments were modified based on the situation at the time. Assignments and assessments did not look the same as if school was actually in session. Inconsistencies across teachers and subjects. Many different platforms and options were used to meet the needs of students. Inconsistent access to devices and network during initial closure period. Some students had to share iPads with siblings. 	<p>Seamless Integration:</p> <ul style="list-style-type: none"> UDASD Curriculum taught by UDASD teachers. Students will receive the same instruction and assignments remotely that students will be receiving in their physical classrooms. <p>Consistent Programs, Expectations, and Google Classroom Set Up</p> <ul style="list-style-type: none"> Use of an organized and consistent approach to Google Classroom. Focus will be on refining several core tools instead of having different tools for each subject/teacher. <p>Student Technology</p> <ul style="list-style-type: none"> All students K-12 will have a device assigned to them from the beginning of the school year.
Grading	<p>Students were assigned a complete or incomplete for the entire marking period based on the work submitted.</p>	<p>Assignments and assessments will be graded the same as the students that are in the classroom.</p>
Attendance	<p>Daily attendance was taken.</p>	<p>Daily attendance requirements will be tracked, monitored, and applied.</p>
Family and Student Support	<p>Technology Support</p> <ul style="list-style-type: none"> Basic training videos were available on the website on topics such as Google Classroom and Zoom. Multiple places to call depending on the issue and inconsistent responses. <p>Social and Emotional Support</p> <ul style="list-style-type: none"> Limited access to support services. 	<p>Technology Support</p> <ul style="list-style-type: none"> A variety of training videos will be available on demand. Single contact for technical support using email form will be used with tracking of responses. Consistent responses for questions. <p>Social and Emotional Support</p> <ul style="list-style-type: none"> A social worker will be available to assist students and families that are struggling.
