

UDA District Goals 2020-21

District Goals- Mr. Shade

1. The UDASD will refine and implement the District's health and safety plan.
2. The UDASD will create and implement the UDA's Enhanced Remote Education learning program. (Continuity of Education Plan)
 - a. The UDASD will seamlessly integrate K-12 iPad technology into daily instruction.
 - b. The UDASD will implement a K-12 daily lesson plan and instruction using the Google Classroom platform for both in-person learners and remote learners.
 - c. The UDASD will offer and create consistent guidelines and professional development to support faculty with implementation.
3. The UDASD will review the phase II merger feasibility study with the school board of directors and it's constituency.
4. The UDASD will work towards continuous improvement and full implementation of the district mission statement: Our mission is to empower our students to be lifelong learners in order to reach their greatest potential.
