Dear Students and Parents,

The dawn of the 2021-2022 school year is fast approaching, and we are looking forward to everyone's return. The end of summer and the start of a new school year brings much excitement and anticipation as everyone prepares for a fresh start to the academic and extracurricular challenges we face. Here are a couple important items for the upcoming school year:

1. **Student schedules are now accessible on our Sapphire system.** Please note that every effort was made to accommodate course requests while maintaining plans to meet graduation requirements and the correct course sequence. Once school begins, changes to your academic schedule will only be made if a required class has been omitted. Our school counselors will be available to address concerns about your schedule on the following times listed below. Please call (717)-362-6469 to schedule an appointment.

Monday	August 9	7:00 AM- 3:00 PM
Wednesday	August 11	7:00 AM - 3:00 PM
Monday	August 16	7:00 AM - 3:45 PM
Tuesday	August 17	7:00 AM - 3:45 PM

2. **Back to School Night 2021 is Thursday August 19, beginning at 6:30 in the auditorium.** Following a brief introduction iPad distribution will occur in Discovery classrooms at 6:45. Students and parents will then travel through a snapshot of their schedule as teachers share pertinent information about their classroom and course expectations - followed by refreshments in the cafeteria at 8:15. A complete schedule of the evening is printed on the back of this page.

**The first day of school for all students is Monday August 23rd.**

Yours in Education,

Robert L. Miller Jr., High School Principal
