A screenshot of a 'Parent Signup' form. The form has a title bar with 'Parent Signup' and a close button 'x'. It contains several input fields: 'Your Name', 'Your Email', 'Password', and 'Re-enter Password'. Below these is a 'Student Pairing Code' field, which is circled in red. To the right of this field is a link that says 'What is a pairing code?'. At the bottom of the form, there is a checkbox labeled 'You agree to the terms of use and acknowledge the privacy policy.' and two buttons: 'Cancel' and 'Start Participating'.
